~ PRESENCE OF CONSIGNOR ~

The Consignor agrees that he/she will be present in person, or have a duly authorized representative present, to make statements regarding each animal. In disputed cases involving the soundness of an animal or statement by Consignor, IMHS will have the sole right to appoint an expert who shall be binding on both seller and buyer. If such expert determines that the Consignor is decided in the wrong, he/she agrees to pay the examination fee, and that in case the animal is refused by a bidder on account of misrepresentation of the Consignor, and the refusal is sustained by the referee, he/she will pay the full commission. IMHS disclaims responsibility for errors and/or omissions by Consignors or their agents and errors and/or omissions in catalog.

~ CONDUCT OF SALE ~

IMHS is authorized to decline any bid by any person in its' sole and absolute discretion, but not limited to, bids by intoxicated or disorderly parties, those who have defaulted on former purchases, or any person who IMHS believes is not a reliable or responsible party. In case any purchaser fails to pay for and receive an animal struck down to him, IMHS is authorized to accept the same amount from another person or to accept the next highest bid or it may put the animal up for sale the second time. In a case where an animal is not paid for fully in cash, including but not limited to cases in which payment of a check is stopped or is returned marked insufficient funds, or no account, or payment is otherwise refused, the Consignor agrees to receive it back as unsold, without attaching any liability to IMHS. IMHS may, in its sole and exclusive discretion elect to make full or partial settlement with Consignor despite a default by purchaser. Such elections by IMHS to pay the consignor shall not constitute a waiver of any IMHS rights under this Consignor's contract, nor establish a custom and shall not abrogate IMHS right to withhold settlement from Consignor in any case where purchaser has defaulted. THE CONDUCT OF ANY SALE IS SUBJECT TO AND GOVERNED BY THE CONDITIONS OF THE SALE PROVIDED BY IMHS TO ALL SELLERS AND PROSPECTIVE BIDDERS/BUYERS. Consignor acknowledges that Consignor has received such Conditions of Sale and agrees to be bound by all terms and conditions contained therein, which are incorporated herein by reference.

~ INFORMATION IN WRITTEN MATERIALS ~

The accuracy of all information contained in the catalogs or any other printed materials provided by IMHS at or before the time of the sale shall be the sole responsibility of the Consignor. Consignor shall have the affirmative duty to examine catalogs or other printed materials on which animals consigned by Consignor appear prior to sale and report any inaccuracies to IMHS.

~ TERMS OF COMMISSION ~

(1) A \$100.00 consignment fee must accompany each entry. (2) The agreed upon commission will be deducted from the consignor's payout. The Consignor may buy back their animal but will be responsible for all commissions. There will be no exceptions. In the event of default of payment of this debt, the debtor will be responsible for all costs relating to professional collection, such as collection fees, attorney fees, interest and court costs. NO ADVERTISING WILL BE DONE ON ANY CONSIGNMENT UNTIL ALL CONSIGNMENT FEES ARE PAID IN FULL.

~ SETTLEMENT WITH CONSIGNOR ~

Any animal shipped to IMHS without a proper negative EIA test will be quarantined at the Consignor's expense until property negative EIA test is acquired. For animals entering Indiana, a certificate of veterinary inspection is also required, stating that examination was made within the past thirty (30) days and revealed the animal to be free from any sign of contagious or infectious disease. All DNA papers, where applicable, must be in order. HEALTH PAPERS, COPY OF EIA (COGGINS) TEST, BREEDER'S CERTIFICATES,

THE ORIGINAL REGISTRATION PAPERS AND A SIGNED TRANSFER MUST BE IN THE SALE OFFICE PRIOR TO SALE.
